GLACIAL RAIN™ is a super-concentrated pet shampoo of the highest quality. Containing far more cleansers than the average pet shampoo, fresh-scented **GLACIAL RAIN™** relies upon a complex blend of cleaning agents, including sugar-based cleansers that are strong and thorough, yet safe and gentle for the pet.

- Delivers exceptional cleaning power
- Lifts soils and cuts grease and oils
- 30:1 dilution ratio
- Creates a rich lather that easily rinses away
- Excels as a vibrant whitening shampoo

SUGAR SOAP™ is a remarkable hypoallergenic pet shampoo designed for its incredible mildness to both the skin and eyes of the pet. **SUGAR SOAP™** gets its name from the sugar-based cleansing agents, detoxifying agents, emollients, conditioners, and humectants that it contains. Naturally non-irritating and rapidly biodegradable, sugar-based cleansers are the perfect choice for a soothing, hypoallergenic pet shampoo.

- Soothing hypoallergenic formula
- Delivers exceptional cleaning power
- Contains no fragrances, dyes or botanicals
- Ideal for pets with sensitive skin or eyes
- Creates a rich lather that easily rinses away

Indamira Pets' premium pet shampoos are biodegradable and have never been harmfully tested on animals. When used as directed, our shampoos are safe for healthy dogs, cats, and horses over six weeks of age.

Available in 16-oz, 1-gal, and 5-gal Containers.
